

AN INVITATION TO KANSAS

Dear Friend:

We need a revival in America. In fact, we need a profound reset – a spiritual awakening that jolts our moral sensibilities and calls the nation back to God.

I know of only one thing that could trigger such a phenomenon, that would make God the talk of our towns. And that is prayer. Desperate prayer. Humble, united prayer. Prayer that declares that we are out of options, out of ideas, and new programs. Prayer that signals to heaven both our faith and holy desperation.

I am inviting you to *America's Prayer Meeting*.

This will be a national prayer, a gathering of believers who are hungry for revival. We are meeting to 'appeal to heaven' on the basis of an ancient prayer covenant. It was one offered to God by our first settlers in 1607 at Jamestown. With the spiritual authority granted to us in the name of Jesus Christ – the *all authority* of his name and office, and as a royal, kingly priesthood, we will gather as his humble representatives.

Just north of Lebanon, Kansas is the geographic center of the contiguous United States. And at the heart of the nation, we will appeal to God, "Have mercy on us. For your name's sake, for your purposes – send a great awakening."

Prayer at the Heart of America, for the Heart of America.

If you plan to come to Lebanon – don't come alone. Make the trip your own prayer pilgrimage across the nation. Stop here and there – and pray. Pour out oil and wine, salt and water, symbols of grace and redemption, of healing, covenant and of the Spirit. Plant 'Appeal to Heaven' flags. Contact friends along the way and have them join you in prayer. Don't attend an event, become a prayer missionary.

God will honor our prayers – and if you will build invisible altars, a chain of them between your home and Lebanon, he will remember. Who knows – maybe the fire will fall on one of the spots where you and your friends met God and pleaded for a spiritual awakening.

More than another event, we need a movement of prayer. A kingdom of priestly intercessors.

Pray for a tithe of the nation, 30 million, to encounter God in first-time conversions. Pray for 21 million legal immigrants here in the USA who have never heard the gospel, not clearly, not in a compelling manner – Muslims, Hindus, Buddhists, Sheiks, Animists, and a collage of other religions. Pray for the church to awaken.

Most of all – plan to come to Kansas. We'll meet at the center. Then we'll pray to the edges! And we will not stop until the nation is experiencing a great awakening.

See You in Kansas,

P. Douglas Small
